

Name:

Shivanand Gamanagatti, M.D (Radiodiagnosis)

Date of Birth

22-07-1975

Postion;

Assistant Professor

Institute:

JPNA Trauma Centre , All India Institute of Medical Sciences, New Delhi, India.

Clinical Interests:

Hepatobiliary, MSK Imaging and Interventional Radiology

Medical School:

Karnataka Institute of Medical Sciences, Hubli, Karnataka, India, 1998

Internship:

Karnataka Institute of Medical Sciences, Hubli, Karnataka, India, 1999

Junior Residency:

All India Institute of Medical Sciences, New Delhi, India.2002

Senior Residency:

All India Institute of Medical Sciences, New Delhi, India., 2005

Speciality Boards:

M.D Radiodiagnosis, Medical Council of India. 2002

Societies and Organisation:

- Indian Radiological Imaging Association (IRIA),
- Indian Society of Vascular And Interventional Radiology(ISVIR)

Awards and Honours

2002	Professor Shyam Sharma Gold Medal Best Post-Doctoral student in Radiology
2006	Editor's recognition Award for reviewing (European Journal of Radiology)
2007	Editor's recognition Award for reviewing (European Journal of Radiology)
2009	Member of National Academy Medical Sciences

Editorial Positions

- Editorial Member of International Journal of Bio Sciences and Technology
- Editorial Member of International Journal of Medical Sciences and Technology
- Editorial Member of International Journal of Life Sciences and Technology
- Editorial member of International Journal of BioSciences, Alternative and Holistic Medicine (JBSAHM)
- Editorial member of International Journal of Biological Sciences and Technology (IJBLST)
- Editorial member International Journal of BioSciences, Psychiatry and Technology (IJSPT)
- Editorial Member of World Journal of Radiology

Presentations at National and International Meetings

1. **Gamanagatti S**, Vashisht S, Kapoor A, Cumber S, Bal S. Abstract acceptance for oral presentation in American Roentgen Ray Society (ARRS) conference at Atlanta in April 2002 (Topic: Role of Graded Compression Sonography and Unenhanced helical CT in the evaluation of Acute appendicitis)
2. Vashisht S, **Gamanagatti S**, Kapoor A, Cumber S, Bal S Abstract acceptance for oral presentation in European congress of Radiology Conference at Vienna in March 2002 (Topic: Role Unenhanced helical CT in the evaluation of Acute appendicitis)
3. Debnath J, Sharma P, Goel JK, Das CJ, **Gamanagatti S**. Prenatal sonography in detection of cranio-spinal anomalies. 8th Annual Congress of Indian society of Neuroradiology 2005. 18th -20th November 2005, New Delhi, India (Proceedings Page 4)
4. Papillary Squamous cell carcinoma of Bronchus, was awarded best poster presentation, at XVIII Annual Conference of Indian Association of Pathologists and Microbiologists held in New Delhi, India
5. Unusual Parapagus Conjoined Twins- Issues in management, at Indian association of pediatric surgery annual conference held in Hyderabad, India
6. Role of Esophageal stenting in palliation of Esophageal carcinoma , at 6th Asia – Pacific Vascular and Interventional Radiological Conference held in New Delhi , India
7. Acromegaly with Empty sella and Sinonasal masses: Rare presentation of pituitary adenoma. ESICON 2004, Guwahati, India. 34th National conference of endocrine society. November 2004.
8. Subramanian S, **Gamanagatti S**, Sharma R, Debnath J, Gunabushanam G. Spectrum of MR Imaging findings in CNS infections. 8th Annual Congress of Indian society of Neuroradiology 2005. 18th -20th November 2005, New Delhi, India (Proceedings Page 38)
9. Jain V, Debnath J, Ahuj J, Sharma R, **Gamanagatti S**, Mukhopadhyay S. MR Imaging Spectrum of Neurocysticercosis. 8th Annual Congress of Indian society of Neuroradiology 2005. 18th -20th November 2005, New Delhi, India (Proceedings Page 42)
10. Jain V, Debnath J, Ahuj J, Sharma R, **Gamanagatti S**, Mukhopadhyay S. MR Imaging Spectrum of CNS manifestations of AIDS. 8th Annual Congress of Indian society of Neuroradiology 2005. 18th - 20th November 2005, New Delhi, India (Proceedings Page 47)
11. Kandpal H, Sharma R, **Gamanagatti S**, Srivastava DN, Vashisht S. Imaging Inferior vena cava : A Road Less Travelled” at Annual RSNA Conference 2006
12. S.R. Gamanagatti¹, S.B. Paul¹, K. Madan¹, C.S. Baba¹, K.S. Madhusudhan¹, M.S. Gulati², S.K. Acharya¹; Recognizing extrahepatic arterial supply to hepatocellular carcinomas for effective management by Transarterial Chemoembolisation. BSIR 2007, held 31st Oct -2nd Nov 2007 in Bournemouth UK
13. S.B. Paul¹, M.S. Gulati², S.R. Gamanagatti¹, C.S. Baba¹, K. Madan¹, V. Sreenivas¹, A.K. Gupta¹, S.K. Acharya¹. Percutaneous Acetic Acid Injection (PAI) For Small and Medium Hepatocellular Carcinoma (HCC). BSIR 2007, held 31st Oct -2nd Nov 2007 in Bournemouth UK
14. S. Subramanian, S. Gamanagatti, D.N. Srivastava, Z. Abbas, P. Garg .Vascular and nonvascular interventions in pancreatitis. C-541. ECR 2008, 7 - 11 March 2008 held in Vienna
15. Deepak Gupta, Seema Mishra, Sushma Bhatnagar, Vaibhav Jain*, Shivanand Gamanagatti. Trial of Angioembolization of Advanced Stage Tumors' Feeding Arteries exemplifying Aggressive and Active Interventional Palliation: An Experience of Hospital-Based In-Patient Palliative Care Facility. 6th conference on “Evidence Based Management of Cancers in India” held from the 29th Feb -2nd March 2008 in Mumbai.

- 16.** S.R. Gamanagatti¹, S.B. Paul¹, K. Madan¹, C.S. Baba¹, K.S. Madhusudhan¹, M.S. Gulati², S.K. Acharya¹; Recognising Extrahepatic Collateral Supply to Large Unresectable Hepatocellular Carcinomas for Effective Management by Transarterial Chemoembolisation . Presented at Asia Pacific Association For Study Of Liver (APASL), Seoul, 27-30th March 2008.
- 17.** Suneel Chakravarty M, Paul SB, Gamanagatti SR, Madan K ,Sreenivasa Baba C and Acharya SK . Management of Hepatocellular carcinoma in the background of Hepatic venous outflow tract obstruction: an encouraging experience. Presented at the 48th annual conference of the Indian Society of Gastroenterology (ISGCON), Nov 2007, at Bangalore,
- 18.** S.R. Gamanagatti¹, S.B. Paul¹, K. Madan¹, C.S. Baba¹, K.S. Madhusudhan¹, M.S. Gulati², S.K. Acharya¹; Recognising Extrahepatic Collateral Supply to Large Unresectable Hepatocellular Carcinomas for Effective Management by Transarterial Chemoembolisation . At 48th annual conference of the Indian Society of Gastroenterology (ISGCON), Nov 2007, Bangalore, and won the "Presidential poster award"
- 19.** Paul SB, Gamanagatti SR, Sreenivas V, Gulati MS, Gupta AK, Acharya SK. Does imaging differentiate between hepatocellular carcinoma of hepatitis B or C virus origin? At Annual conference of Asia Pacific digestive week, held in New Delhi on September 13th to 16th , 2008
- 20.** Paul SB, Gamanagatti SR, Sreenivas V, Madan K, Baba CS, Gulati MS, Gupta AK, Acharya SK. Serum leptin does not correlate with hepatic fibrosis in patients with non alcoholic fatty liver disease (NAFLD) and chronic hepatitis C (CHC) At Annual conference of Asia Pacific digestive week, held in New Delhi on September 13th to 16th , 2008
- 21.** Efficacy of transarterial chemoembolisation (TACE) for hepatocellular carcinoma (HCC): experience from a tertiary care centre in India. At Annual conference of Asia Pacific digestive week, held in New Delhi on September 13th to 16th , 2008

Lectures delivered

1. Oncoimaging – evidence based Management of Cancers in India held in Gwalior Jan 2006
2. Imaging of Neck- Indian society of nuclear medicine, held at AIIMS, March 2006
3. Non vascular abdominal Interventions- CME on Body Imaging and Interventions held in AIIMS, New Delhi from March 2007.
4. Portal vein embolisation – Live Video demonstration at XVII National Conference of the IASG was held at the AIIMS in New Delhi from 29th September, through 1st October 2007
5. Transarterial Chemoembolisation with DC beads – at 6th conference on evidence based Management of Cancers in India- Interventional Radiology in Oncology, held in TMH in Mumbai on Feb 29-March 2, 2008

6. Complication of Transarterial chemoembolisation at annual registry meet combined with symposium on “ Clinical Practice Guidelines for Evidence-based Management in Cardiovascular & Interventional Radiology” at AIIMS, New Delhi on April 26 and 27, 2008
7. Radiology of Obscure gastrointestinal bleed : At Annual conference of Asia Pacific digestive week, held in New Delhi on September 13th to 16th , 2008
8. Percutaneous nonvascular gastrointestinal interventions: “Gastrointestinal and hepatobiliary imaging” AIIMS-MAMC-PGI imaging course series (CME) held at AIIMS, New Delhi on October 24-25, 2008
9. Chemoembolisation of HCC: current status : At annual conference of ISVIR held in Mumbai from october31st to November 3rd , 2008

2009

10. **Vascular Interventions of Genitourinary tract:** 3rd edition Jaypee Brothers : “**Urogenital imaging**” AIIMS-MAMC-PGI imaging course series: 2009 (CME) held at PGI Chandigarh, on April 02-03, 2009
11. **Percutaneous Vertebroplasty Vs Percutaneous Kyphoplasty** at annual registry meet cum complication meeting combined with CME on “ Advances in interventional Radiology Lessons from Trials and Registries” held at AIIMS, New Delhi on April 25 and 26, 2009

Research

Completed

1. Role of Graded compression sonography and Unenhanced helical CT in the evaluation of suspected acute appendicitis in 58 patients over a period of 2 years from September 1999 to August 2001
2. Role of Gd-BOPTA enhanced MRCP in assessment of biliary enteric anastomosis
3. Role of MR arthrography in the assessment of glenohumeral instability
4. Role of MDCT, Gadolinium enhanced MRI and PET CT in assessment of oral cancers
5. Regulation of Coagulation in orthopedic surgery to prevent DVT and pulmonary embolism
6. Comparison of Color doppler, CT portography and MR Portography in pediatric EHPVO
7. Role of FDG-PET and MRI in assessment of Osteosarcoma : Prechemotherapy and Post chemotherapy
8. Comparison of FDG-PET and Dynamic MRI in correlation of VEGF expression on tumour cells in patients with Osteosarcoma
9. MR imaging of wrist pain
10. Comparison of MDCT, MRI, Endoscopic Ultrasound and PET-CT in evaluation of suspected pancreatic neoplasm.
11. Comparison of minimally invasive techniques and conservative treatment in vertebral collapse

Departmental projects (Ongoing)

- 1) Randomized controlled trial of Radiofrequency ablation versus Percutaneous acetic therapy for the treatment of small hepatocellular carcinoma
- 2) Randomized control trial of Transarterial chemoembolisation (TACE) versus TACE plus oral chemotherapy in the treatment of Unresectable Hepatocellular carcinoma.
- 3) Randomized control trial of Transarterial chemotherapy (TAC) versus Oral chemotherapy in the treatment of Unresectable Hepatocellular carcinoma.
- 4) Randomized Control Trial of N-Acetylcysteine in Prevention of Renal Failure in Hepatocellular Carcinoma patients undergoing Transarterial Chemotherapy and Transarterial Chemoembolisation.
- 5) Randomized control trial of Oral chemotherapy versus supportive therapy in the treatment of Unresectable Hepatocellular carcinoma.
- 6) A comparative Evaluation of changes in ultrasonographic dimensions of masseter muscle with EMG activity prior and subsequent to twin block therapy
- 7) Clinico-radiological evaluation of total knee arthroplasty short term retrospective-prospective study
- 8) Percutaneous management of malignant biliary obstructions
- 9) MRI evaluation of internal derangement of knee
- 10) Prospective imaging evaluation of vascular malformations of extremities
- 11) Arthroscopic and MR evaluation of elbow in patients with rheumatoid arthritis
- 12) USG evaluation of Intimal-medial thickness of carotid artery in patients with SLE
- 13) Comparative evaluation of image guided and palpation guided core biopsy of palpable breast masses
- 14) Radiofrequency ablation of varicose veins
- 15) MDCT and MRI evaluation of renal masses
- 16) MDCT evaluation of splenic injuries with endovascular management

- 17) MRI in avascular necrosis of hip and impact on patient management
- 18) Pattern of peripheral arterial diseases in tertiary care surgical practice (Indian scenario)
- 19) Safety and efficacy of autologous stem cells in prevention of amputation in patients with chronic critical limb ischemia
- 20) Percutaneous radiofrequency ablation of benign bone tumors and metastasis
- 21) Estimation of standard liver volume in the Indian population
- 22) Role of intraoperative ultrasound in GI malignancies: comparison with conventional imaging techniques
