Dear Sir,

I have just a few words of appreciation & gratitude for your staff. Right from the patients' attendants, to the nurse Mrs. Savita (who proved to be very, very helpful and not to forget the doctor-on-duty Dr. Bhaskar. Your centre works like a clock-work and I being a patient of the R&R am very impressed with the cleanliness, efficiency & helpful attitude.

P.T.O. Thanks once again - Punam Handa
